

DISTRICT ANNUAL REPORT

The superintendent or designee shall annually prepare and distribute a written report informing the public of the following areas of district characteristics and student achievement results:

- Student demographics, including enrollment by grade and site, percent of students receiving free or reduced meals and percent of special education students.
- District financial information including levy, total budget, valuation, per pupil costs and local, state and federal revenue.
- Student academic performance including results of standardized tests, average grade point average (GPA) for elementary and secondary students, graduation rates and dropout rates.
