

## ADDRESSING THE BARRIERS TO ATTENDANCE

Regular attendance by the students at school is essential for students to obtain the maximum opportunities from the education program. Parents and students alike are encouraged to ensure an absence from school is a necessary absence. Students shall attend school unless excused by the principal of their attendance center. This policy, developed and annually reviewed in collaboration with the county attorney for the district's principal office location, is an attempt to address the barriers to student attendance. This policy shall include a provision indicating how the district and the county attorney will handle cases in which excessive absences that are due to illnesses and shall state the circumstances and number of absences or hourly equivalent upon which the school shall render all services to address barriers to attendance.

Any superintendent, principal, teacher, or member of the school board who knows of any violation of the state school attendance laws (79-201) shall report that violation to the school attendance officer within 3 days

The superintendent shall designate an attendance officer. The attendance officer will immediately investigate the report of any child who may be in violation of the state's compulsory attendance statutes.

If any student has exceeded the number of "not school excused" absences as defined in the student handbook and in policy #503.03, the school shall render all services to address the barriers to attendance. These services shall include the following:

1. Verbal or written communication by school officials with the person or persons who have legal or actual charge or control of any child; and
2. A meeting or meetings between the school attendance officer, school social worker, a school administrator or designee, the person who has legal or actual control of the child, and the student (when appropriate) to address the barriers to attendance. The result of the meeting or meetings shall be to develop a collaborative plan to reduce barriers identified to improve regular attendance. The plan shall consider, but not be limited to:
  - (i) Illness related to physical or behavioral health of the child;
  - (ii) Educational counseling;
  - (iii) Educational evaluation;
  - (iv) Referral to community agencies for economic services;
  - (v) Family or individual counseling; and
  - (vi) Assisting the family in working with other community services.

The school may report to the county attorney of the county in which the person resides when the school has documented the efforts it has made as required by statutes, that the collaborative plan to reduce barriers identified to improve regular attendance has not
