

ADMINISTRATOR EVALUATION

The superintendent shall conduct an ongoing process of evaluating the administrators on their skills, abilities, and competence. At a minimum, the administrators will be evaluated annually. Administrators who are new or probationary certificated employees shall be evaluated at least once each semester. The goal of the formal evaluation process is to ensure that the educational program for the students is carried out, promote growth in effective administrative leadership for the school district, clarify the administrator's role as defined by the board and the superintendent, determine areas in need of improvement, clarify the immediate priorities of the responsibilities listed in the job description, and develop a working relationship between the superintendent and the administrator.

The formal evaluation shall also include an opportunity for the administrator and the superintendent to discuss the evaluation, the past year's performance and the future areas of growth. The evaluation shall be completed by the superintendent, signed by the administrator and filed in the administrator's personnel file.

This policy supports and does not preclude the ongoing informal evaluation of the administrator's skills, abilities and competence.
