

EMPLOYEE RECORDS

The school district shall maintain personnel records on employees. The records are important for the daily administration of the educational program, for implementing board policy, for budget and financial planning, and for meeting state and federal requirements.

The records shall include, but not be limited to, records necessary for the daily administration of the school district, salary records, evaluations, application for employment, references, and other items needed to carry out board policy. Employee personnel files are school district records and are considered confidential records and therefore are not generally open to public inspection or accessibility. Only in certain limited instances, when the employee has given a signed consent, will employee personnel records be accessible to individuals other than the employee or authorized school officials.

The district will not use or require the use of more than the last four digits of an employee's social security number for:

1. Public posting or display to the general public or an employee's coworkers.
2. Transmission over the internet except on a secure or encrypted connection.
3. Accessing an Internet web site unless a password, personal identification number or other unique authentication is required.
4. Use as an employee number for any type of employment-related activity.

The district may use more than the last four digits of an employee's social security number only for:

1. Compliance with state or federal laws, rules or regulations.
2. Voluntary commercial transactions entered into by the employee with the district for the purchase of goods or services.
3. Internal administrative purposes including providing the number to third parties for such purposes as administration of personnel benefits and employment screening and staffing. However, the following internal administrative purposes do not permit use of employee social security numbers:
 - A. As an identification number for occupational licensing.
 - B. As an identification number for drug-testing purposes except when required by state or federal law.
 - C. As an identification number for district meetings.
 - D. In files accessible by any temporary employee unless the temporary employee is bonded or insured under a blanket corporate surety bond or equivalent commercial insurance.
 - E. For posting any type of district information.

Employees may have access to their personnel files, with the exception of letters of reference, and copy items from their personnel files at a time mutually agreed upon
