

CERTIFICATED EMPLOYEES - RESIGNATION

Any certificated employee who wishes to be released from contract should consider the difficulty of securing an adequate replacement for the district and disruption to the educational program. A late resignation greatly increases this difficulty and disruption.

A certificated employee who wishes to be released from his/her contract shall immediately deliver a written and signed notice of resignation to the office of the Superintendent. The Superintendent, upon reviewing the request and its impact on the district, shall forward the request to the School Board with an appropriate recommendation.

The School Board shall make the final determination regarding the request but shall have no obligation to approve the employee's early release from contract.

The Board may request the employee to continue as a member of the staff and to fulfill the terms of his/her contract. The early release, if allowed, will become effective at the end of the school year in which it is submitted. If the employee has requested the release to become effective at an earlier date than the end of the school year, the Board may consider it on an individual basis.

In the event that service of any employee is terminated prior to the end of a contract year by reason of death, resignation, or other cause; or if there are any irregularities of service during the contract period, the amount of salary due in full shall be based on actual days of service performed as compared to the total number of days required to be performed under the contract.

An employee's refusal to fulfill his/her contract shall be cause for the district to request a suspension or revocation of certification by the Nebraska Department of Education.
