

STUDENT PHYSICALS FOR ATHLETICS

All boys or girls that participate in any athletics or practices must have a physical examination signed by a qualified healthcare provider. The results of the examination and the qualified healthcare provider's signature must appear on all local and state forms where it is required. All such examination results must be on file in the school where the student is to participate in athletics. In all cases, these forms should be signed by parents and the qualified healthcare provider. Only proper forms are to be used in all cases.
