

EARLY COMPLETION OF COURSEWORK

A student who wishes to complete coursework required for graduation in less time than the ordinary eight (8) semester, grade 9-12 sequence, may request permission to complete graduation coursework requirements on an alternate schedule.

The student and parents/guardians will consult with high school guidance personnel to develop an early completion of coursework plan. The student's intention to accomplish this shall be stated in writing to the principal. The student's parent or legal guardian must submit a letter in support of the student's request for early completion of coursework and such letter is to accompany the student's written request. The request letters to the principal are to be submitted no later than six months prior to the anticipated completion of the required high school program.

A student who completes coursework early must complete all graduation requirements established by the board. The student who chooses early completion of coursework will be allowed to participate in the spring graduation ceremonies. In all other school activities the student who has completed coursework early will be treated as a graduated student.
