

BUS DRIVER SUPERVISION

School bus drivers must pass physical examinations and meet other criteria as established by state and federal law and by the Nebraska Department of Education. Bus drivers must have a valid transportation vehicle operator's permit and shall have it in their possession when transporting students. This does not apply to the operator of a small vehicle being used only for extracurricular activities.

The school district shall obtain a record of satisfactory driving for each pupil transportation vehicle operator. It is required that a copy of the individual's driving record be on file with the district before employment as a pupil transportation vehicle operator as defined in NDE rules. The school district shall obtain and keep on file a criminal history record of driver applicants who are not certificated Nebraska teachers or administrators through the Nebraska State Patrol and local law enforcement agency before employment as a pupil transportation vehicle operator. For such persons, a satisfactory driving record means a record which reflects the absence of any of the following offenses or circumstances:

1. Motor vehicle homicide;
2. Driving while under the influence of alcoholic liquor or drugs or refused to submit to a chemical test, within the immediate prior 12 years; or,
3. Reckless driving or willful reckless, within the immediate prior 12 years; or,
4. Accumulation of 5 or more points under the motor vehicle operators' license point system within the immediate prior 4 years. In the event the person has accumulated 3 or 4 points within the immediate prior 4 years, the determination of whether the person has a satisfactory driving record shall be made by the Superintendent or his/her designee based on the nature and priority of the offense as it relates to safe transportation.

School bus driver selection procedures will be developed by the superintendent to ensure acceptance of drivers whose capabilities are commensurate with job responsibilities, including minimum requirements for a satisfactory driving record.

Substitute pupil transportation vehicle operators shall meet the same driver requirements and qualifications as a regular pupil transportation vehicle operator. A pupil transportation vehicle operator shall not have the authority to assign a substitute without the prior approval of any school administrator or person designated by the governing school board.

All school bus drivers are required to inform the district immediately of any change in their driving or criminal records that could affect their eligibility to maintain the student transportation vehicle operator's permit.
