

GENERAL COMPLAINT FORM

The District has established this form as a means to address certain complaints that arise within school operations. Complaints dealing with discrimination, harassment or selection of educational materials should be made on forms specifically for those purposes.

The Board expects that most complaints will be addressed at the school building level. A person with a school related complaint is encouraged first to discuss the issue with the appropriate teacher, counselor, or principal, with the objective of resolving the matter promptly and informally. This complaint form may be used when an issue cannot be resolved informally or the particular concern does not fit within other specifically established areas as mentioned above.

The District endeavors to respond to and resolve complaints promptly and equitably. The right of a person to prompt and equitable resolution of a complaint will not be impaired by the person's pursuit of other remedies. Use of this Complaint Form is not a prerequisite to the pursuit of other remedies and does not extend any filing deadline related to the pursuit of other remedies.
