

COMMUNITY RELATIONS GOALS

The school-community relations program is a responsibility of both the Board of Education and the total school staff. Within the bounds of legal and ethical responsibilities to pupils, the school district will attempt to keep the community well informed about the operations and needs of the school district. The school district recognizes the necessity of involving citizens in the work of the schools and of two-way communications with the schools' internal and external publics.

The board will work closely with school district-community groups, including, but not limited to, the booster club and parent-teacher organizations. The Board expects all district staff to demonstrate commitment to the involvement of parents and community members in education.

It shall be the responsibility of the building principal to be the liaison with the school district-community groups affiliated with the building principal's attendance center.
