

**Agenda Information – Board Retreat  
February 25, 2017**

**Report Items:**

1. There will be no Good News Report.
2. There will be no Elementary Report
3. There will be no High School Report
4. The Board will discuss various district-wide topics. The first topic will be long-term planning in the academic, physical plant, and extra-curricular areas. The second topic will be technology and will include discussion on the benefits/needs of iPads and technology at various grade levels, the technology replacement fiscal schedule, and the concept of issuing iPads and laptops to juniors and seniors. Curriculum offerings in both the elementary and high school to better align with future workplace demands with the next topic. The next area for discussion will be various topics including the district newsletter, employment postings, on-line Board meetings, and bullying. The next topic appearing on the agenda is one centered on facility topics that include NPPD doing a light and load study, the contracting of turf services for the outdoor athletic complex, and public access to the weight room. These items may be referred to the Facility Committee. Dr. Fisher will facilitate a review of his Three Priorities as well as his Transition Plan.
