

EDUCATIONAL PHILOSOPHY OF THE SCHOOL DISTRICT

District Mission Motto:

WORKING TOGETHER FOR SUCCESS

District Mission Statement:

By employing a quality, team-oriented staff that is dedicated to students, Gibbon Public Schools will be high-achieving and competitive in academics and extra-curricular activities while producing well-rounded, respectful students that model a positive attitude.

District Vision Statements:

- Provide opportunities for staff and students to maximize their strengths in a safe environment
- Engage students in instruction that is rigorous, relevant, and technologically progressive
- Teach, expect, model, practice, and support positive behavior
- Communicate and collaborate with stakeholders in meaningful educational processes

District Belief Statements:

- All students learn through instruction that is relevant, meaningful, active, and based on individual student needs in a culturally diverse society
- Classroom instruction must prepare students for a constantly changing and culturally diverse society
- Assessment should be ongoing, diagnostic, and aligned with instruction
- Community participation enhances the educational process
- School and community partnerships are valuable and strengthen the educational and democratic process
- Healthy children learn better
- 21st Century Skills need to be utilized in all curricular areas
