

STUDENT CONDUCT

Students arriving before 7:30 a.m. must proceed to the Commons and remain seated until the 7:57 bell. Students eating cafeteria-served breakfast will also remain seated in the Commons until food is consumed. After school, all students must leave the school building by 3:45 or be under the direct supervision of a teacher or sponsor. Students not complying by this guideline may be brought to the office where parents can pick up their student.

The Board of Education has authorized the use of video cameras on School District property to ensure the health, welfare and safety of all staff, students and visitors to District property, and to safeguard District facilities and equipment. Video cameras may be used in locations as deemed appropriate by the Superintendent. Notice is hereby given that video surveillance may occur on District property. In the event a video surveillance recording captures a student or other building user violating school policies or rules or local, state or federal laws, the video surveillance recording may be used in appropriate disciplinary proceedings against the students, or other building user and may also be provided to law enforcement agencies.

School rules and regulations should prohibit any conduct which causes a substantial disruption in or material interference with any school function, activity or purpose, or that interferes or creates a reasonable likelihood that it will interfere with the health, safety or well-being or the rights of themselves or others. These rules and regulations will also provide for appropriate corrective measures for unacceptable behavior. Please see the discipline flow chart at the beginning of this booklet for descriptions of rule violations and consequences.
