

Box Top Collection

Every year the Gibbon Elementary School participates in Box Top collection. This project has been very successful by helping fund items for the students. Some of the items that have been purchased through Box Top earnings are playground equipment, classroom games for indoor recess, and bringing in entertainment/informational programs at the end of semester assemblies. The money raised always goes toward the students.

Students will be receiving a baggie for the October collection. Every Box Top is worth .10 so when you have 10 Box Tops it is worth \$1.00. Let's see how many you can stuff in the baggie by **Friday, October 26th**. Please make sure your child's name is on it. Everyone who returns a baggie gets a treat.

For a full list of products, you can visit: btfe.com/products

Remember to download the Box Top app to help earn more money for the school. Thanks to the people who are using the app already.

If you are interested in helping count Box Tops, please let the Gibbon Elementary Parent Organization know.

Thanks for your continued support!
