

HAZARDOUS CHEMICAL DISCLOSURE

The board authorizes the development of a comprehensive hazardous chemical communication program for the school district to disseminate information about hazardous chemicals in the workplace.

Each employee working with hazardous chemicals will follow all label instructions and receive any necessary and appropriate training from their supervisor. The district shall maintain a file indicating which hazardous substances are present in the workplace.

Employees who will be instructing or otherwise working with students shall disseminate information about the hazardous chemicals with which they will be working as part of the instructional program.

It shall be the responsibility of the superintendent to implement this policy.
